Dear Parents,

Welcome back! I hope you all had a wonderful summer where you had time to relax and enjoy your families! We had a very smooth opening yesterday! Thanks you both our parents and our teachers, students are excited to be here and ready to learn! We look forward to seeing you at school – so please join us at our first Home and School meeting next Wednesday, September 13th at 7:00 P.M. in the gym.

As you know, students begin at 8:30 and are dismissed at 3:20. For all parents, a reminder that students are dismissed from the same doors of the building that they enter in the morning! Just to review, we have a small parent parking lot along with an excellent “drop-off” zone on School Street. Our drop-off zone has our sixth grade patrols and a staff member ready to receive your children and get them safely to their classrooms. If the parent parking lot is full, there is plenty of parking in the Oak View neighborhood, just please follow the parking regulations posted. Your child has the option of bringing their own lunch to school or buying lunch from our vendor Maschio’s Food Services. For all information on menus and payment, please logon to maschiofood.com/oak-view-school.

We are fortunate to have some new staff members at Oak View. I’d like to welcome Mrs. Jessica Marcy as our new sixth grade teacher, Ms. Kira Biederman as our new third grade teacher, and Ms. Salvatoriello our our new resource teacher. This year we are offering instruction in Spanish to students in grades 4, 5 and 6, with our new Spanish Teacher, Mrs. Angelica Yataco. We also welcome Mrs. Ashley McMilan, an ABA teacher from our early childhood center.

This year, the Bloomfield School district has adopted a new science program entitled Bring Science Alive by the Teachers’ Curriculum Institute for grades K-5. We are also continuing our implementation of both Readers’ Writers’ Workshop and Math Investigations. Please mark your calendars for Thursday, September 28th for our annual Back-To-School night! At this time we will be sharing more information with you about our new programs!

Once again, welcome back to Oak View School. We are looking forward to a very successful, fun-filled year where our students are actively participating in their learning and loving it!

Sincerely,

Mary DiTrani
